

Dear Parents,

Your student is enrolled in Leadership Service Learning at Lonoke Middle School. Over the coming weeks we will be discussing professionalism and careers in class. I would like to have them watch a movie entitled "The Pursuit of Happyness" starring Will Smith. This movie shows one man's struggle with financial instability and his struggle to provide a better life for his young son. He works very hard to gain financial stability by working for a stockbroker company. There are parts in this movie that I feel your student could benefit from as we talk about job searching and the requirements. This movie is rated PG-13. I will be breaking the movie up into parts so that we will watch it over multiple days and have classroom discussions about the movie content and situations that come up. If you would be okay with your student watching this movie in my class please sign the permission slip below. If you have any questions or concerns please feel free to contact me about them at my school e-mail: [raegan.pack@lonokeschools.org](mailto:raegan.pack@lonokeschools.org)

Thanks,  
Mrs. Ellen
